From Chanson de Geste to Epic Chronicle

Medieval Occitan Poetry of War

Gérard Gouiran and **Linda M. Paterson**

Series: Variorum Collected Studies

In this collection of essays Gérard Gouiran, one of the world's leading scholars of medieval Occitan literature, examines this literature from a primarily historical perspective. Through texts offering hitherto unexplored insights into the history and culture of medieval Europe, he studies topics including intercultural relations, and Christian dissidence in the twelfth and thirteenth centuries. Written in an approachable style, the book will be of interest to scholars and students, as well as any reader curious about this hitherto little-known Occitan literature.
